

## POSITION OPENING

Chief Forensic Pathologist  
Forensic Medical Management Services of Texas, PC  
Beaumont, TX

Forensic Medical Management Services of Texas is seeking a forensic pathologist to serve as Chief Forensic Pathologist in our Beaumont, Texas office. The successful applicant will supervise two other forensic pathologists and perform approximately 325 autopsies annually. Some occasional regional travel will be required. The Beaumont office provides forensic autopsy services to approximately 15 counties in southeast Texas.

Minimum requirements include: M.D. or D.O. degree, certification by the American Board of Pathology in Anatomic Pathology and Forensic Pathology, five years experience in Forensic Pathology, and eligibility for medical licensure in Texas.

Base salary will be \$205,000. Forensic Medical provides a generous benefit package including paid continuing medical education expenses, at least 5 weeks of annual leave, sick leave, medical and dental insurance, and a 401(k) plan.

Beaumont is located on the west bank of the Neches River, about 85 miles east of Houston. The city lies on Texas's coastal plain, about 30 miles inland from the Gulf of Mexico. It is the county seat of Jefferson County, and together with the neighboring cities of Port Arthur and Orange, comprises a region known as the Golden Triangle, a major Gulf Coast industrial center. Beaumont is serviced by Interstate I-10 and is an important shipping point and petrochemical producer.
